

Personalised CPD sessions

Saving time/ avoiding hassle with building approvals

CPD WORKSHOPS WITH BA&A

- Answer client questions, faster
- Simplify the complex
- Know how to save time for project approvals

CPD WORKSHOPS

QDC MP 1.4 – Building over/ near infrastructure

Support for your team to:

1. Accurately apply definitions of the legislation- eg know what relevant infrastructure means, understand clear zone requirements
2. Understand the documents and processes required to ensure smooth approvals for projects affected by this legislation

We can come to you, or join us in our Kedron meeting room – informal free training with morning tea provided.

- complimentary sessions for BA&A partners
- run for roughly an hour (or whatever suits the team)
- are structured to enable discussion amongst the team - ensure relevance to current projects/ workflow.

Topics

As suits the building design team, or choose one or more from below.

NCC & AS basics	QDC MP 1.2- siting variations	BCC/ town planning	QDC MP 1.4- BOA
