

RESIDENTIAL CERTIFICATION SERVICES

THE BA&A TEAM

Growing from a family owned company, Building Approvals & Advice has extensive experience in the construction industry.

Awarded **Building Certification Team of the Year 2016, 2017, 2018 and 2019** by the Royal Institute of Chartered Surveyors (RICS), our team is committed to providing safer homes for Queenslanders.

We work together to answer your technical questions and investigate approval requirements unique to each residential project.

We commit to **keep builders or designers working with the same team consistently** in order to build working relationships and make things easier for our clients.

BA&A SUPPORT

Our role is to support you to comply with all National Construction Code (NCC), Queensland Development Code (QDC) and Australian Standards (AS).

BA&A works to support all construction stakeholders to ensure **every project is safe**.

The BA&A team will help you to find solutions to compliance issues. We provide detailed insights about code adherence and safety standards.

Our team is passionate about keeping our clients up to date with industry changes:

- We are industry association member
- We attend industry events
- We host CPD events and workshops
